Kibo y el dragón morado (Spanish Edition) Carmen Gil

One morning, a purple dragon flies in through Kibo's window. In fright, the little boy runs off to some truly extraordinary places, but when he returns home and looks in the mirror, the dragon is still there — and he's right behind him! This time, though, he's a little more purple and a little bigger than the last time Kibo saw him. Maybe if he keeps running away Kibo will be able to escape the dragon! But what if that doesn't work? How will he finally defeat such a terrible monster?

Kibo y el dragón morado is an entertaining tale that helps children face up to and overcome their fears.
