## **Muchas vidas, muchos maestros (Spanish Edition)** Brian Weiss

La historia real de un psiquiatra, su joven paciente y la terapia de regresión que cambió sus vidas para siempre. El doctor Brian Weiss, jefe de psiquiatría del hospital Mount Sinai de Miami, relata en este, su primer libro, una asombrosa experiencia que cambió por completo su propia vida y su visión de la psicoterapia. Una de sus pacientes, Catherine, recordó bajo hipnosis varias de sus vidas y pudo encontrar en ellas el origen de muchos de los traumas que sufría. Catherine su curó, pero ocurrió algo todavía más importante: logró ponerse en contacto con los Maestros, espíritus superiores que habitan los estados entre dos vidas. Ellos le comunicaron importantes mensajes de sabiduría y de conocimiento. Este relato, profundamente conmovedor, punto de encuentro entre ciencia y metafísica, constituyó un extraordinario best-seller y sigue siendo de obligada lectura en un mundo convulsionado, en especial para los que buscan un nuevo sentido espiritual. / Dr. Weiss was skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. But his skepticism fades when she begins to channel messages from "the space between lives," which contain remarkable revelations about Dr. Weiss's family and his dead son.
