MY BLACK BILLIONAIRE STEPBROTHER

Voluptuous art student Dakota Perry is horrified to find out that her mom is marrying Montgomery Sterling, billionaire oil exec. Especially since Dakota is going to be spending the summer with Monty's son James, an injured Marine who is recently home from Iraq. James and Dakota went to high school together, back when she was a skinny nerd, and he always picked on her. Although Dakota doesn't know what to expect now that they're going to be step-siblings, she knows it can't be good....

A lean, muscular, multiracial Adonis, James Sterling is used to getting any woman he wants. He has a particular taste for curvy beauties, and when he sees that Dakota Perry—his soon-to-be stepsister—has gone from awkward geek to bodacious bombshell, he has to have her. Besides, something feels off about this whole marriage thing. Maybe there's hope for the two of them after all....

Mark

Grayson loves her. So do I. I can't deny it, she's everything I've ever imagined for myself, for my son.... but she's younger than me. She's barely begun living. And my son and I come with major baggage.... I'm not sure how much longer I can keep my hands off her...
