ROMANCE LESBIAN: Punish Me Dragon Queen: (Shifter Lesbian Paranormal Short Stories) Kristel Rose

Serena is a modern day nomad with a truly unbelievable history. From city to city and state to state, she moves, no more than a fortnight between each relocation. As she travels through the hot desert, secretly searching for a place to belong, she finds herself clasped in the enraged arms of a venomous woman who doesn't take lightly to her dominating manner. With little persuasion Serena, the cursed queen of dragon shapeshifters, gets her short lived lover to ease the tension with some much needed erotic relief. However, once her family curse sets in it's off to a new city and a new set of problems. Through her final move Serena remembers her grandmothers words, ringing in her mind like the bells in St. Peter's square. She finds solace in her memories and quickly loses herself to their power, narrowly missing a fatal collision with a sleeping truck driver.
