**Diversity Amid Globalization: World Regions, Environment, Development (4th Edition)** Lester Rowntree, Martin Lewis, Marie Price, William Wyckoff

*Diversity Amid Globalization* explicitly acknowledges the geographic changes in today's world by emphasizing both the homogenizing and diversifying forces inherent to the globalization process. This approach allows the authors to **emphasize the interconnections** that bind people and places together. The globalization approach challenges students to make critical comparisons between the regions of the world in order to understand them more fully.
