WARNING: Before Americans presume to take back America they should know who to take it back from. GOD BLESS THE AMERICA WE THOUGHT WE ONCE KNEW is not suitable reading for anyone who requires themselves to adhere to the taboos against freely associated thinking and socially acceptable superstitions. Anyone with a tenuous grip on reality may lose that grip by reading this book that is not at all designed for anyone who bases their reality on fantasy, as reality is infinitely more terrifying than any monster or false prophet conjured in any fictional account invented by fertile imagination. Those with an innate fear of falling down rabbit holes or peaking into Pandora's box should not read this book. GOD BLESS THE AMERICA WE THOUGHT WE ONCE KNEW is not suitable reading for anyone who requires themselves to believe in the success and sanctity of the noble American experiment and it's democratic mechanisms. This book contains large amplified sections of Chuck Maultsby's first book, WHO SHOULD GO DOWN IN HISTORY, plus even more outrageous history lessons and disturbing facts. The socio-political commentary is often offensive to the extreme. This book is not recommended for anyone who does not want their belief system confronted and challenged.
