## **Kids' Poems (Grades 2)** Regie Routman

Regie Routman shares her delightful selection of free verse poems written by second graders that will inspire your second graders to think, I can write poems like this too! Regie provides strategies for using kids' poems as models to guide children to write poems about things they know and care about, including the trauma of eating peas, the pleasure of reading, the thrill of playing hockey. She describes the way she invites children to study the model poem, beginning by asking kids, What do you notice? She shows how she demonstrates the poetry-writing process to children: thinking aloud and drafting poems about her own life, and then inviting children to write on their own. Includes 20 reproducible poems written and illustrated by second graders to share with kids. Perfect for classroom teachers and parents! For use with Grade 2.
