**Pediatric Swallowing and Feeding: Assessment and Management** Joan C. Arvedson, Linda Brodsky  
A Volume in the Early Childhood Intervention Series The comprehensive primary reference for assessment and management of infants and children of all ages with feeding and swallowing problems is updated and expanded in this second edition. The authors cogently detail vital information with clarity and precision for all professionals involved with pediatric swallowing and feeding disorders. New chapters focus on behavioral related feeding problems and chronic aspiration. Major reorganization adds evidence based, up-to-date information useful to the student as well as the seasoned practitioner.
