The World to Come

Lloyd George Geering

The World to Come Lloyd George Geering

Lloyd Geering observes that we have come not only to the end of the millennium, but to the end of Christendom, the dissolution of Christian orthodoxy, the failure of modernism, and the end of old mythic certainties. In *The World to Come*, he sketches his vision of a new global spirituality that incorporates the best of our legacy from the past and promotes care for all living creatures and the earth itself.
