When It All Falls Apart: Find Healing, Joy and Victory through the Pain Riva Tims

“I began to question whether I would live through the pain.”

It felt like her world had ended. A personal betrayal had led to a very public scandal, and when the dust cleared, Riva Tims had lost her marriage, the church she had helped found, and the life she had known for nearly fifteen years. Then she received the news that her ex-husband, Zachery Tims, had died suddenly at the age of forty-two.

There were times when she didn't think she would make it through the grief.

When It All Falls Apart is the road map God gave her to reach a place of healing and wholeness. Using her own moving story as a backdrop, she provides answers and hope for those who are dealing with the unexpected and sometimes sudden trials in their lives.

Whether you are dealing with the unexpected death of a loved one, betrayal by someone close to you, sudden divorce, loss of a home, failure of a business or relationship, or any other serious issue, with God's help you can turn your trial into triumph.
