## **Hale, The Liar (The Founders Trilogy) (Volume 2)** Brittney Dussault

Haleigh Forbes was taught honesty from her father and deception from her mother. She knows better than to stick her nose in other people's business, but can't deny her curiosity about Luke Mason and the blackmail he had on her family. Rowland Farris is in town to sell Pratt's Publishing, but the story of Gwendolyn Eisling is on his mind. The truth newlyweds Caleb and Wen Grant chose to believe doesn't sit right with Rowland and he's determined to uncover the truth, even if doing so opens up another can of worms. What starts innocently enough soon takes a lethal turn as Rowland and Haleigh veer uncomfortably close to a secret someone is willing to kill for. But who's doing the killing? It's a risky game, searching for the truth in a town full of lies. But it's those closest to Haleigh that are going to have to pay the price.
