**Jonathan Edwards (Christian Biographies for Young Readers)** Simonetta Carr

FINALIST at the 2015 San Diego Book Awards.

Jonathan Edwards lived at a time when many people were seriously questioning long-accepted ideas about the world, life, and God, and his answers to these questions have left a mark on the way we think today.

While he is often remembered as the preacher of a scary sermon about a spider dangling over a fire, he remains significant as one of the greatest thinkers America has produced. Simonetta Carr traces the events of Edwards's life from a young student interested in science to husband and father, pastor, leader of the Great Awakening, missionary, writer, and college president. Colorful illustrations, interesting facts, and a compelling story combine to introduce young readers to this important theologian and life in colonial America.
