May Sarton Margot Peters

From acclaimed writer Margot Peters comes the first, completely authorized biography of novelist, poet, and feminist May Sarton. Granted unprecedented access to personal papers and diaries, Peters gives us a compelling look at the woman who influenced a legion of readers with rich and intimate writings, and reveals the fascinating life that Sarton herself kept hidden.

Beginning with a young Sarton largely ignored by her parents, Peters traces the compulsive quest for recognition and artistic inspiration that would characterize most of Sarton's life. We witness her at nineteen as she chooses a life in the theater, only to discover later her real passion: writing. As her literary career takes shape, we watch her personal and professional struggles for acceptance, her intense relationships with such learned friends as Muriel Rukeyser and Louise Bogan, and her secret turmoil over her sexuality. But ultimately, we see Sarton begin to create in her works the image of a strong, independent woman who lived peacefully with solitude--an image that often contradicted the reality of her life.

From the Trade Paperback edition.

From reader reviews:

Steve Pratt:

Have you spare time for the day? What do you do when you have far more or little spare time? That's why, you can choose the suitable activity regarding spend your time. Any person spent their own spare time to take a walk, shopping, or went to typically the Mall. How about open or maybe read a book allowed May Sarton? Maybe it is to become best activity for you. You understand beside you can spend your time with the favorite's book, you can wiser than before. Do you agree with it is opinion or you have additional opinion?

Lena Lewis:

The book May Sarton can give more knowledge and information about everything you want. Exactly why must we leave the good thing like a book May Sarton? A few of you have a different opinion about book. But one aim that book can give many details for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or information that you take for that, you can give for each other; you could share all of these. Book May Sarton has simple shape however, you know: it has great and large function for you. You can look the enormous world by open up and read a e-book. So it is very wonderful.

Walter Rojas:

Reading can called thoughts hangout, why? Because while you are reading a book particularly book entitled May Sarton the mind will drift away trough every dimension, wandering in every aspect that maybe unidentified for but surely will become your mind friends. Imaging every word written in a publication then become one contact form conclusion and explanation that maybe you never get previous to. The May Sarton giving you another experience more than blown away your brain but also giving you useful info for your better life in this era. So now let us teach you the relaxing pattern this is your body and mind will likely be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary wasting spare time activity?

Carla Helton:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this May Sarton can make you sense more interested to read.
