The First Epistle to the Corinthians (New International Greek Testament Commentary)

Anthony C. Thiselton

The First Epistle to the Corinthians (New International Greek Testament Commentary) Anthony C. Thiselton

This superb volume in the New International Greek Testament Commentary series provides the most detailed, definitive, and distinctive commentary on 1 Corinthians available in English to date.

One of the world's most respected Christian theologians, Anthony Thiselton here provides in-depth discussion of the language of 1 Corinthians, presents his own careful translation of the Greek, traces the main issues of interpretation from the church fathers to the present, and highlights topics of theological, ethical, and sociohistorical interest today, including ethics and "rights," marriage, divorce and remarriage, "headship," gender, prophecy, and many others.

No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work, which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout. In his commentary Thiselton indeed addresses virtually every question that thoughtful, serious readers -- scholars, students, pastors, teachers -- may wish to ask of or about the text of 1 Corinthians. His work truly offers a fresh, comprehensive, and original contribution to our understanding of this major epistle and its contemporary relevance.
