**The Much Too Promised Land: America's Elusive Search for Arab-Israeli Peace** Aaron David Miller

For nearly twenty years, Aaron David Miller has played a central role in U.S. efforts to broker Arab-Israeli peace as an advisor to presidents, secretaries of state, and national security advisors. Without partisanship or finger-pointing, Miller records what went right, what went wrong, and how we got where we are today. Here is a look at the peace process from a place at the negotiation table, filled with behind-the-scenes strategy, colorful anecdotes and equally colorful characters, and new interviews with presidents, secretaries of state, and key Arab and Israeli leaders.

Honest, critical, and often controversial, Miller's insider's account offers a brilliant new analysis of the problem of Arab-Israeli peace and how it still might be solved.
