Welcome to Mustang Ridge Ranch, where guests get a taste of life in the Wild West, and two cowpokes just might have a second chance at love...

When Nina books a week's stay at Mustang Ridge, the vintage-inspired interior designer is looking forward to some time away from the city's dating scene. She's greeted by flower-studded hills and snow-capped mountains under a stunningly blue Wyoming sky, but her excitement fades when she spots a man she never wanted to see again. Why is Ben there? And, dang it, why is her heart racing?

Ben's sister Cheryl had set him up on a date with Nina months ago, and even though things didn't work out, Cheryl still thinks they're meant for each other. So she surprises her brother with a trip to the ranch for his birthday. Besides, a busy surgeon like Ben needs a break from working at the hospital. Now that his schedule is out of the way, can he make time for Nina? Or will one of the other rugged guests rustle her away?
