The Conduct of War 1789-1961: A Study of the Impact of the French, Industrial and Russian Revolutions on War and Its Conduct (Routledge Library Editions: Military and Naval History) J. F. C. Fuller

This book, originally published in 1961, examines the wars from the age of absolute rulers, and the destructive impact of revolutionary and democratic government on this state of affairs. It discusses the relation between war and policy, and takes into account how the character of war in the first half of the twentieth century affected international diplomacy.
