Free at Last: A Documentary History of Slavery, Freedom, and the Civil War (Publications of the Freedmen and Southern Society Project) Ira Berlin, Barbara J. Fields

Widely recognized as "one of the nation's foremost scholars on the slave era" (*Boston Globe*), Bancroft Prize-winning historian Ira Berlin has changed the way we think about African American life in slavery and freedom. This classic volume, now available in a handsome new edition, is an indispensable resource for educators and general readers alike.

Free at Last brings together some of the most remarkable correspondence ever written by Americans. These letters, personal testimonies, official transcripts, and other records convey the struggle of black men and women to overthrow the slave system, to aid the Union cause, and to give meaning to their newly won freedom in a war-torn nation. Drawn from the landmark reference volumes of *Freedom: A Documentary History of Emancipation*, this "work of deep significance for all Americans" (*Washington Post Book World*) offers a unique way of understanding emancipation.
