Human Sexuality: Diversity in Contemporary America, 8th Edition William L. Yarber, Barbara W. Sayad, Bryan Strong

Human Sexuality: Diversity in Contemporary America presents a forward thinking, open approach to Human Sexuality for today's student. The new lead authors, Bill Yarber and Barbara Sayad, continue to bring their research experience to the book while maintaining the engaging writing style that original author Bryan Strong brought to this best-selling text for years. The first text to achieve a full integration of cutting-edge research with a contemporary "sex-positive" approach, it also strives to represent the modern, diverse world that students encounter outside the classroom. Both within the text itself and throughout the exemplary art and photo program, the focus is on inclusion. *Human Sexuality* has been lauded by students and instructors alike for providing the most integrated and non-judgmental view of sexual orientation available. The eighth edition maintains these themes while adding a new contemporary design, streamlined format and significant content and feature revisions and updates.
