Knitting is a relatively simple process requiring a minimal set of tools – two needles and a ball of yarn. Its basic structure of interlocking loops couldn't be less complicated. Yet the possibilities for design and pattern innovation seem endless. Now is a great time to learn to knit. Never before have you had so many lovely and imaginative yarns from which to choose and so many stylish and sophisticated patterns to work with.

Sure, grandmothers knit, but so do movie stars, football players, doctors, and lawyers. They know what our grandmothers do: Knitting does more than just provide you with warm and cozy things to wear. Knitting also

- Stirs your creativity
- Gives you an ongoing sense of purpose
- Teaches patience
- Soothes the soul from the stresses of everyday life

Practice and perfect your knitting skills with *Knitting For Dummies*. This friendly, hands-on guide will lead you through the following topics and more:

- Mastering the four elemental moves of knitting
- Deciphering knitting patterns
- Fixing common knitting mistakes
- Getting started with simple projects
- Expanding your horizons with stripes and details
- Relaxing stiff shoulders and fingers

Every chapter explaining a specific knitting technique includes a Knitting Notebook of sample patterns to show you some of the different ways it can be used and a section of Practice Projects that gives step-by-step instructions for simple and attractive knitted accessories nearly all of which are featured on the pages of the color insert. Most projects end with a list of project variations – ways to expand on your understanding of how to craft and design projects on your own.

This Knitting for Dummies can be the response, oh how comes? A fresh book you know. You are so out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these books have than the others?

Effie Steger:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So, this Knitting for Dummies can make you experience more interested to read.
