With oversight from the Joint Committee on Standards for Educational Evaluation, Yarbrough, Schulha, Hopson, and Caruthers have revised and illustrated this new edition of the **Program Evaluation Standards**. These thirty standards support the core attributes of evaluation quality: utility, feasibility, propriety, accuracy, and accountability, and provide guidance to anyone interested in planning, implementing, or using program evaluations. The book is an invaluable resource for practicing evaluators, students, evaluation users, and clients.
