## **Facets of Life** Lori Clark Weatherly

"We do not remember the days, we remember the moments!" One moment can change your life, forever. One moment can leave you breathless; it is that moment when you know it has happened... a change. "I expected to be overjoyed to become a mommy again. I expected flowers, but not flowers with baby angels attached to them and a black wreath that would hang upon our business door to let all know that the arrival of our second son turned into something we didn't expect, his death." Lori Weatherly and her family have been through much devastation which includes their son passing away the day before Lori's 31st birthday as well as insurmountable physical trauma and injuries. Learning to love again, live again and find a new normal would prove to be an obstacle that, with God's help, she and her family are able to overcome on a daily basis. "I am careful to know that with expectations, a risk is always there that could lead to disappointment at any given moment. But that cannot keep me from expecting good things! God is a giver of good things! Without expectations, what do we have to hope for?"
