Intelligent Computing and Applications: Proceedings of the International Conference on ICA, 22-24 December 2014 (Advances in Intelligent Systems and Computing)

The idea of the 1st International Conference on Intelligent Computing and Applications (ICICA 2014) is to bring the Research Engineers, Scientists, Industrialists, Scholars and Students together from in and around the globe to present the on-going research activities and hence to encourage research interactions between universities and industries. The conference provides opportunities for the delegates to exchange new ideas, applications and experiences, to establish research relations and to find global partners for future collaboration. The proceedings covers latest progresses in the cutting-edge research on various research areas of Image, Language Processing, Computer Vision and Pattern Recognition, Machine Learning, Data Mining and Computational Life Sciences, Management of Data including Big Data and Analytics, Distributed and Mobile Systems including Grid and Cloud infrastructure, Information Security and Privacy, VLSI, Electronic Circuits, Power Systems, Antenna, Computational fluid dynamics & Heat transfer, Intelligent Manufacturing, Signal Processing, Intelligent Computing, Soft Computing, Bio-informatics, Bio Computing, Web Security, Privacy and E-Commerce, E-governance, Service Orient Architecture, Data Engineering, Open Systems, Optimization, Communications, Smart wireless and sensor Networks, Smart Antennae, Networking and Information security, Machine Learning, Mobile Computing and Applications, Industrial Automation and MES, Cloud Computing, Green IT, IT for Rural Engineering, Business Computing, Business Intelligence, ICT for Education for solving hard problems, and finally to create awareness about these domains to a wider audience of practitioners.

From reader reviews:

Jennifer Tomasini:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era that is always change and advance. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Intelligent Computing and Applications: Proceedings of the International Conference on ICA, 22-24 December 2014 (Advances in Intelligent Systems and Computing) is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Alberto Redden:

Playing with family in the park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, after that why you don't try issue that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Intelligent Computing and Applications: Proceedings of the International Conference on ICA, 22-24 December 2014 (Advances in Intelligent Systems and Computing), you may enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its known as reading friends.

Enrique Boggs:

Beside this Intelligent Computing and Applications: Proceedings of the International Conference on ICA, 22-24 December 2014 (Advances in Intelligent Systems and Computing) in your phone, it can give you a way to get more close to the new knowledge or data. The information and the knowledge you are going to got here is fresh from oven so don't become worry if you feel like an older people live in narrow commune. It is good thing to have Intelligent Computing and Applications: Proceedings of the International Conference on ICA, 22-24 December 2014 (Advances in Intelligent Systems and Computing) because this book offers to you readable information. Do you at times have book but you would not get what it's all about. Oh come on, that won't happen if you have this inside your hand. The Enjoyable blend here cannot be questionable, such as treasuring beautiful island. Use you still want to miss it? Find this book as well as read it from at this point!

Elizabeth Smith:

Reading a publication make you to get more knowledge from it. You can take knowledge and information from the book. Book is composed or printed or outlined from each source this filled update of news. In this modern era like at this point, many ways to get information are available for an individual. From media

social such as newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just searching for the Intelligent Computing and Applications: Proceedings of the International Conference on ICA, 22-24 December 2014 (Advances in Intelligent Systems and Computing) when you desired it?
