Skeleton Run John L. DeBoer

Twenty years ago, four teenage boys left a baby behind in a crushed car after they caused the tragic accident that took the mother's life. Ever since, they've guarded the secret that would've ruined their lives and destroyed their future careers. But when one of them succumbs to illness, a blackmailer makes contact, and the survivors realize that, somehow, someone else knows. Now, everything that matters to them is at stake. Las Vegas billionaire Wendell Logan is pursuing the role of political kingmaker, and he's selected his unsuspecting king: Alan Granger, governor of Pennsylvania. Granger confesses his closet skeleton to Logan, but the tycoon has invested too much time and money into Granger's future presidential campaign to let him and his old friends endanger Logan's power play. It's time to run.
