The SBL Handbook of Style: For Ancient Near Eastern, Biblical, and Early Christian Studies Patrick H. Alexander, Society of Biblical Literature, Shirley Decker-Lucke

"*The SBL Handbook of Style* is an astonishing book, a true 'one-stop' reference for authors preparing manuscripts in biblical studies and related fields. It covers an amazing range of topics, from what every literate scholar should know (but may not) to what only the most erudite expert in an obscure sub-field of the discipline would be likely to know. Do you need to know how to cite an internet publication? Whose job it is to prepare the index and secure permissions? How to alphabetize Abraham ibn Ezra (and why)? What the abbreviation *AAeg* stands for? It's all here. This volume should substantially reduce the incidence of tears and tantrums that so often beset the process of manuscript preparation. Before long biblical scholars will wonder how we ever got along without this indispensable reference work. Every graduate program should make *The SBL Handbook of Style* a required text."

-Carol A. Newsom, Professor of Old Testament, Emory University

". . . A major service for the community of biblical scholars. This comprehensive but handy stylesheet, building on the base of the SBL guidelines, incorporates all that most authors and editors currently need to know about the technical dimensions of publishing activity, from commas and hyphens to abbreviations, from transliterations to forms of annotation. All that's left to authors is to come up with good ideas. All editors have to do is to learn what is here."

-Harold W. Attridge, Lillian Claus Professor of New Testament, Yale Divinity School

From reader reviews:

Charles Anthony:

In this 21st centuries, people become competitive in each way. By being competitive right now, people have do something to make them survives, being in the middle of the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading. That's why, by reading a book your ability to survive improve then having chance to remain than other is high. For you who want to start reading some sort of book, we give you this The SBL Handbook of Style: For Ancient Near Eastern, Biblical, and Early Christian Studies book as basic and daily reading e-book. Why, because this book is more than just a book.

Lewis Labelle:

Your reading sixth sense will not betray you, why because this The SBL Handbook of Style: For Ancient Near Eastern, Biblical, and Early Christian Studies publication written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written inside good manner for you, dripping every ideas and creating skill only for eliminate your current hunger then you still question The SBL Handbook of Style: For Ancient Near Eastern, Biblical, and Early Christian Studies as good book not just by the cover but also by content. This is one book that can break don't determine book by its protect, so do you still needing a different sixth sense to pick that!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

Michael Thompson:

Is it you who having spare time and then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This The SBL Handbook of Style: For Ancient Near Eastern, Biblical, and Early Christian Studies can be the answer, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Susan Hare:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The SBL Handbook of Style: For Ancient Near Eastern, Biblical, and Early Christian Studies can make you really feel more interested to read.
