**This book will teach you how to write better: Learn how to get what you want, increase your conversion rates, and make it easier to write anything (using formulas and mind-hacks)** Neville Medhora

Learn how to get what you want....

Learn how to increase conversion rates on anything....

Learn how to make it easier to write anything (using formulas and mind-hacks).

The information in this book has turned keystrokes from my fingers, into millions of dollars in sales.

Some of the concepts inside have been able to turn a poor man, into a rich man, by simply re-arranging some words on a page.

This is an incredibly short book (about 54 pages) that you can read in one sitting. **If this book gives you even one tip that increases the performance of your writing....**(and keep in mind, writing is a skill you will keep your whole life)....then this will be a fantastic investment for yourself.

This information is laid out in the same way I made my famous KopywritingKourse. The structure of that course just naturally taught people how to write better in a logical and fun way.

This book is in the same format, except you can go over it anywhere (although watch the video KopywritingKourse for live examples).

I invite you to spend 45 minutes with me reading this book.

**STEP 1.)** Grab a beverage of your choice. I prefer a beer or tea when reading.

**STEP 2.)** Grab a notepad and pen before starting (for notes)

**STEP 3.)** Find a very comfortable place to sit and read this book.

**STEP 4.)** Begin absorbing these mind-hacks and formulas laid out in the book....and apply them to your own writing.

Enjoy the book, and please contact me if you have any questions before buying!
